

WELLINGTON WALK

DESIGN NOTES FOR TIMBER PITCHES

Welcome to Wellington Walk!

We look forward to seeing you thrive in the space and we want the Pitch you have chosen to work best for you.

Pitch Design: You are welcome to fit out your Pitch as you please under the following guidelines:

1. Any changes to the following must be submitted for approval.

Please send to cgasparro@lcpproperties.co.uk:

- Wall Colour
- Structure
- Window vinyls
- Functional items such as sink

2. You are not permitted to build solid walls however you are welcome to add to the existing dividers. Suggestions are noted on page 2.
3. Please be considerate of your neighbours and try to keep the space as open as possible to ensure visibility for all traders.
4. PLEASE NOTE: You will be expected to remove any extra items you implement at the end of your tenancy and return any painted areas back to white or to the standard you received the pitch.

We encourage you to be as creative as you like and to enjoy branding and putting your identity on your Pitch!

We look forward to seeing your Pitches in action and wish you all the best!

There are great alternatives to act as dividers:

- **Set Panels:** <https://frameset-uk.com/flat-panels/>
- **Wood Panels**
- **Fabric Panels:** - stretch over poles as panels or hang as curtains
- **Room / Panel divider** - Shelving unit - as display/wall divider
